Placas tectónicas

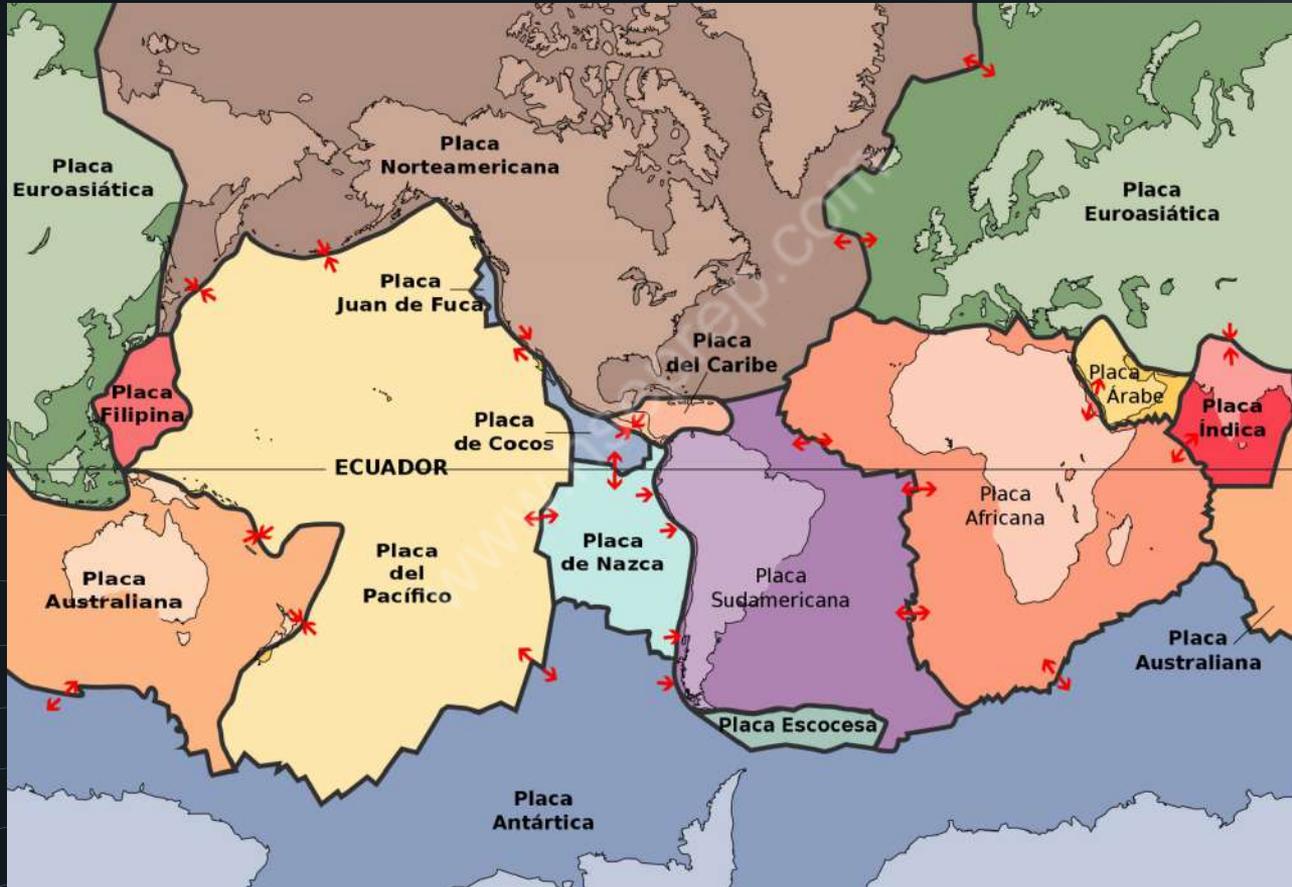

La Tierra

Corteza Terrestre

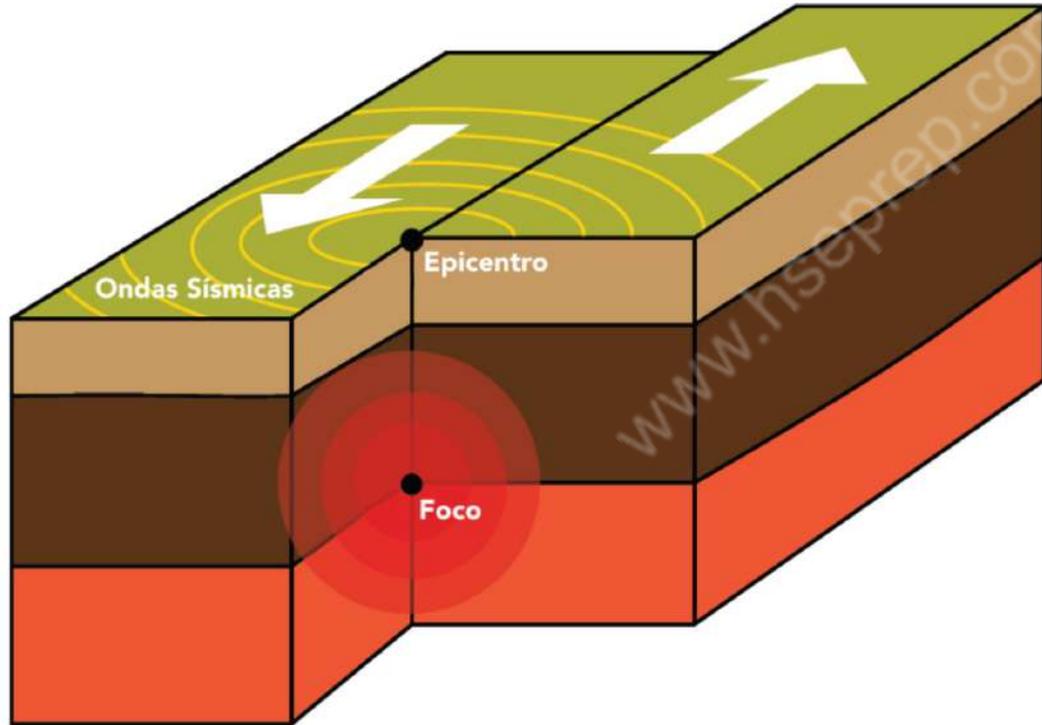

Corteza y manto activo

14 placas mayores

3 Tipos de movimiento

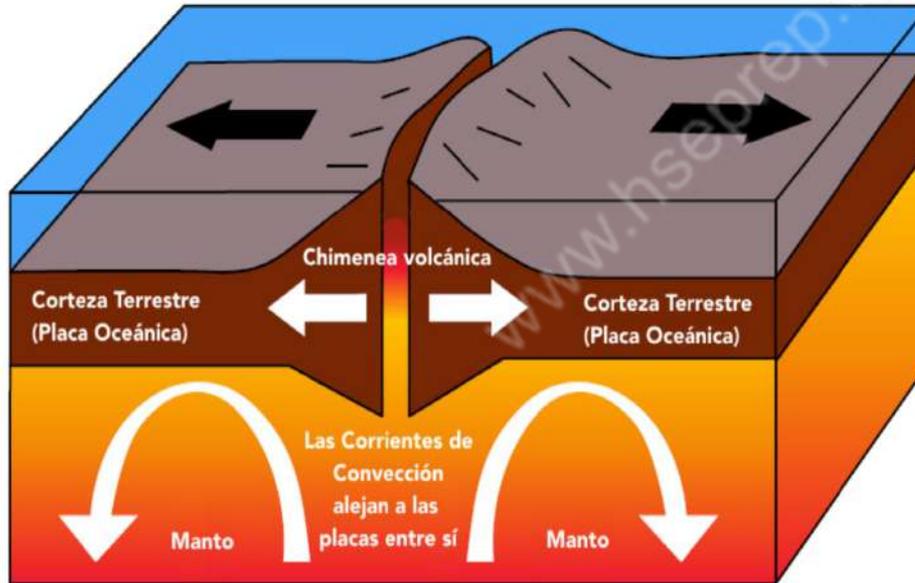

Límite Transformante

California

3 Tipos de movimiento

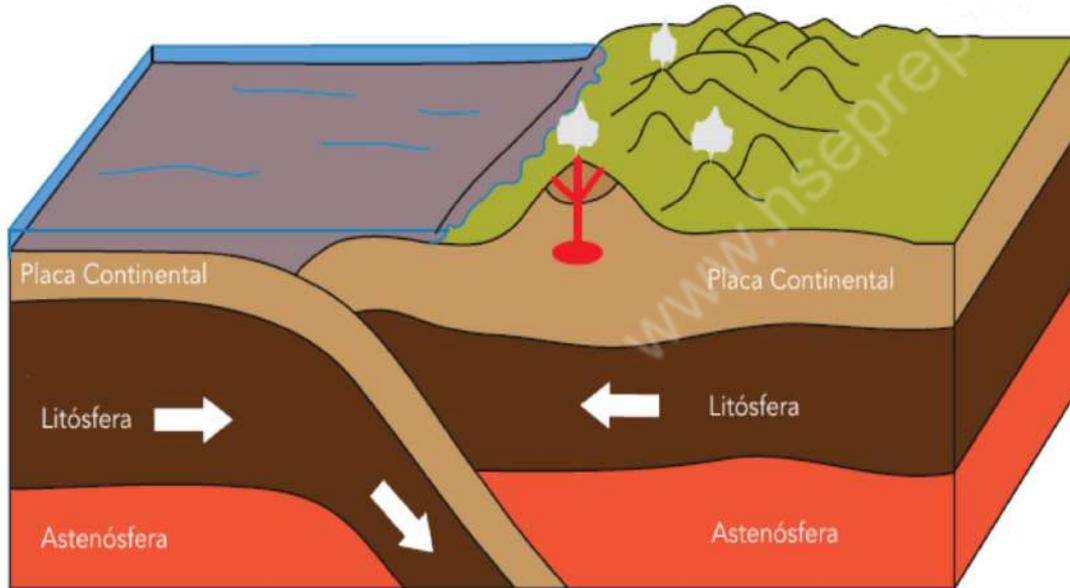

Límite Divergente o Constructivo

**Magma
Oceano Atlántico**

3 Tipos de movimiento

Límite de Placa Destructivo o Convergente

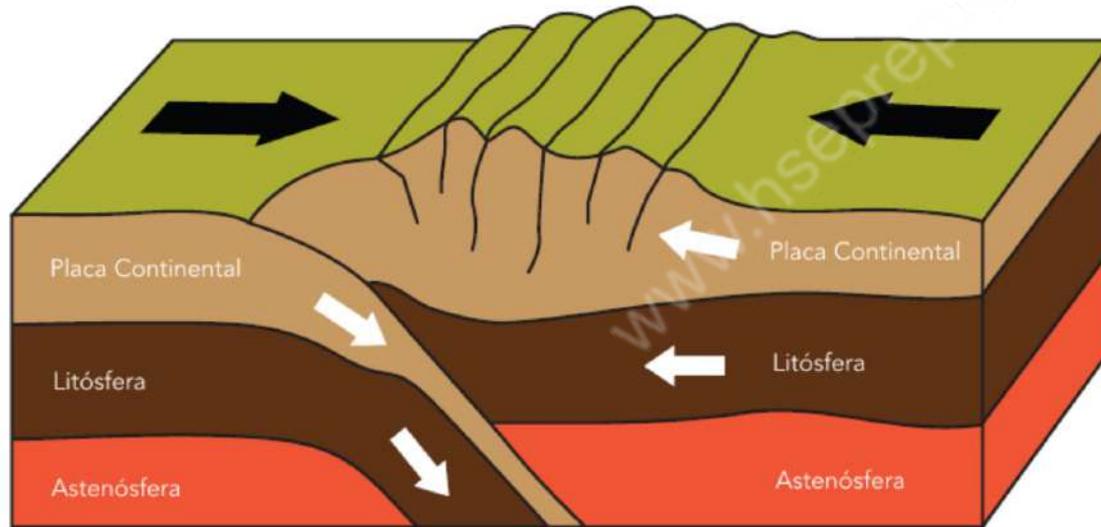

Japón

3 Tipos de movimiento

Placa de Colisión

Monte Everest

Cinturón/anillo de fuego

Volcanes, Temblores y Tsunamis

Actividad: Investigación Científica
